FLAVIA

“Single Cup Brewing At Its Best”

Flavia is a single cup brewer in which the coffee, tea, or cocoa of your choice is brewed directly through the package into your cup guaranteeing the same quality, consistency and taste every time you brew a drink. We have different size machines to satisfy your particular needs.

The sleek S350 Brewer is the new world standard in office brewers, delivering coffee shop quality across a complete cafe menu. Ideal for larger offices of 25 people or more. The S350 offers amazing authentic cappuccino. It is simple to use and quick to clean. It is hassle free and reliable. It also has the option of being coin operated.
