

Two Great Coffee Makers For Your Home Or Executive Office

Through the years, many of our customers have wanted to purchase a home coffee maker that made a “hot” cup of coffee yet brewed fast enough to extract the coffee for optimum flavor without being bitter. Until now, we did not have one available that fit the bill. At this time, Good As Gold Coffee is happy to provide two excellent brewers:

FLAVIA SB100 BREWER

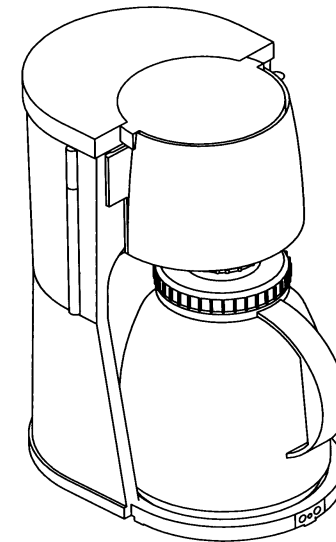

- Get coffeehouse variety in this compact brewer
- Small in size, portable and stylish.
- Delivers today’s favorite quality beverages in seconds, one cup at a time.
- No hassle, no fuss and no mess.
